

SHUNA

Damen Tug/Workboat

The Shuna is a versatile Damen Tug/Workboat. The deck equipment includes an anchor winch, towing hook and pushbow with rubber fender.

Propulsion is via two fixed pitch propellers in nozzles powered by **two Caterpillar type 3408C TA/C** main engines giving an output of 1080 bhp at 2100 rpm.

Shuna is suitable for:

- > Towing
- > Crew Transfers
- > Surveying
- > Anchor Handling.
